

A high-angle photograph of a white desk in a modern office. On the desk, there is a large computer monitor displaying a website design, a silver keyboard, a white mouse on a copper-colored mousepad, a pair of black sunglasses, and a Starbucks iced coffee cup. A black office chair is partially visible in the bottom left corner. A semi-transparent red overlay covers the top half of the image, with white text centered on it.

Website Management

Options & Pricing Plans

The table below outlines the Website Management Monthly Plans offered through Davies Designs Studio. Website Management is offered for sites created by Davies Designs Studio. We do not currently offer support for sites outside of those we helped design and develop.

MONTHLY PACKAGE FEATURES	ESSENTIAL \$199	BUSINESS \$399	PROFESSIONAL \$599	UNLIMITED \$899
INCLUDED HOURS	2 hours ~ 30 minutes / week	4 hours ~ 1 hour / week	8 hours ~ 2 hours / week	UNLIMITED
MAINTENANCE Includes site maintenance, plugin updates, mobile view updates, troubleshooting, & more.	●	●	●	●
DESIGN CHANGES				
CONTENT EDITS				
CONTACT FORM UPDATES	Included in 2 hours	Included in 4 hours	Included in 8 hours	Unlimited
TROUBLESHOOTING				
TRAINING				
BEST FOR:	Businesses handling their own website updates with the occasional need for support.	Businesses handling their own website updates but need added support.	Businesses who are less hands-on with their website updates and require advanced support.	Businesses choosing to outsource website support with heavier support needs.

Upon choosing a plan, a service level agreement will be sent for review and approval. Website Management Plans are invoiced monthly, quarterly, or yearly based on client preference. Additional costs may apply for ad-hoc requests falling outside of the service level chosen. Plan exclusions may apply.
